Experience

Dropbox (Acrobat Outsourcing) 2017-august 2017

August 17, 2014-August 5, 2016, February

I worked as a Porter, picking up trash and dishes, as well as making drip coffee on a Fetco extractor. I moved on to work as lead porter and kept maintenance on the Fetco extractors as well as storing coffee extraction data and logs (Microsoft Excel) from all the Fetco brewers and espresso machines, and finished off as a lead in the porter/Barista team and got more Barista training and experience through my last 4 months at Dropbox including Espresso drinks and working with cupping process and learning about coffee defects and quality assurance.

Illy Coffee

August 10, 2016-december 2016

At Illy Coffee I work retail and Barista duties, including direct help to the customers as well as taking customer's orders and making espresso drinks. As well as counting out the drawer and closing down the store all together.

Haus Coffee

January 2018-April 2018

At haus I worked as a barista both opening and closing shifts, I got to work with customers and worked making espresso drinks, tea, iced drinks.

Banco Azteca (Mexico)

June 2018-november 2018

At Banco Azteca I got to work as a financial adviser, working directly with old and new customers creating and continuing investment accounts along with normal bank accounts and credit accounts and loans.

Education
