EXPERIENCE

LINCOLN CHILD CENTER – Oakland, CA

October, 2012 – Present

School Supervisor, Non-Public School

- Oversee the safety and day-to-day operations of the non-public school treatment milieu to ensure that all appropriate agency policies and procedures are followed.
- Implement and monitor a milieu and activity curriculum for the school that is consistent with regulations and standard as well as the individual educational and clinical needs of the students.
- Lead, model, train, and support staff in the implementation of the behavioral/therapeutic program, crisis intervention, and methods of de-escalation.
- Provide weekly supervision, yearly evaluations and regular trainings for milieu staff.
- Read, evaluate, and follow through on all agency-mandated documentation (e.g. Incident Reports, Daily Client Summaries and other MediCal documentation); ensure documentation is accurate and compliant with policies & procedures.
- Lead and participate in crisis debriefings.
- Conduct problem-solving meetings with students and staff.

LINCOLN CHILD CENTER – Oakland, CA

November, 2011- October, 2012

Milieu Counselor II, Non-Public School

- Participate in the planning for and supervision of residential and day treatment children during class and milieu activities and events including field trips, parties, meals, recess, swimming, picnic, carnival, open house, etc.;
- Supervise, protect and care for children individually and in groups at all times, assisting each child in working with a group and in handling individual problems;
- Administer discipline appropriately and set limits for child's behavior;
- Maintain all appropriate records including crisis intervention files, lesson plans consistent with IEP goals and objectives, attendance records, clinical notes and other records.
- Substitute teaching when necessary in teachers' absence.

LINCOLN CHILD CENTER– Oakland, CA

November, 2010 – June, 2011

Residential Mental Health Counselor

- Supervise, protect and care for severely emotional disturbed children at all times at a Level 14 facility, assisting each child to work in a group setting in order achieve treatment goals individually and collectively.
- Implement and assist effective group therapy and treatment goals of children within the residential home.
- Maintained and recorded accurate and effective daily and group notes to provide regular treatment communication to residential treatment team and community stakeholders.
- Appointed as shift leader where duties include management of all counselor schedules within the home, assignment of duties and responsibilities for counselors on each shift, and primary first response for crisis management.
