Objective

Obtain a position in which I can learn more about retail and sales.

Summary

1. Has excellent communication skills.
2. Is able to work well with others.
3. Has a lot of patience with people and can handle big groups.
4. Is able to work under any condition and have a positive attitude.
5. Tech-savvy; is able to use a computer and any other technology.

Additional Information

Is a full-time student at San Jose State University, but is capable of working after class. Monday through Thursday; 1:30 p.m.-10 p.m. Friday through Sunday; any time of the day.

Work Experience

Tutor

San Jose
Sacred Heart Nativity School
Grades 9,10,11,12

I tutored kids in the subject area that troubled them the most. As a non-paid experience, I helped children across various middle school ages. Many times I helped students out in Math and English, since many of these students are the oldest and do not have anyone to help them out, I took on that role to help them. Also many of them came from immigrant parents, and English is not their first language so they struggled with English. This experience has taught me to work with anyone that comes from different backgrounds and deal with what I am given.

Voting Offices

San Jose

Grades 10, 11, 12

Whenever election time comes along, I always work as an election officer. In that position, I assisted people and signed them in so that they can be on their way to vote. Through this experience I was able to help out the visually impaired and elderly so they can still cast their vote. This job taught me how much patience one needs when dealing with customers.

Education

Aug 14 - Present

San Jose State University

San Jose

Freshmen

Undeclared; willing to explore different careers to see what my calling is.

Aug 10 - May 14

Archbishop Mitty High School

San Jose

Graduate

Was part of clubs such as The Pit and LASU. The Pit was a club in which students where part of the cheering section for school sporting events. LASU--Latin American Student Union-- was a club in which Latinos interacted with one another to bring forth their culture at school. Graduated high school with an academic GPA of 3.16, and a cumulative GPA of 3.2.

Volunteer Service

Community Service

San Jose

Sacred Heart Community Center

Grades 10, 11, 12

3 Hours/Week

At Sacred Heart Community Center, I was able to help out families in need by providing them with the clothes they needed. I helped them get the correct size and amount they would need. As volunteer experience, I was able to gain so much and I learned how to deal with people and service them with the things they needed. I gained many things that can be used as a retail/sales person.

Skills/Academic Achievement

Computer Experience

Has had experience with computers. Can fix computers from home and has a little bit of background on computers.

Honor Roll

Part of the honor roll throughout my high school education. Always maintained myself above a 3.0 GPA, even through Track and Field season.

Athletic Achievement**Track and Field**

Grades 11, 12

As a junior and senior in high school, I was part of the throwing team for my school's Track and Field team. I threw shot put and discus. My junior year, I went to WCAL trials and eventually placed for WCAL finals, where I placed 4th overall in the JV discus level, and 6th for the JV shot put level. My senior year I went to WCAL trials and was a place away from placing for shot put and discus WCAL finals, but had a good run with my team. While being part of the throwing team, I learned to work with others and be part of a group in which I grew close with.
