EXPERIENCE

Bartender/Server, Party Staff: Los Angeles, Ca. 2012-2014

Worked as needed at special events including award shows, concerts, weddings and corporate parties. My main duties were as a bartender, but worked as a server as needed.

Bartender, Club Baha: Evansville, In. 2006-2008

Completed all tasks expected of a bartender in a very fast paced, high volume bar/nightclub.

Bartender, Biaggis: Evansville, In. 2004-2006

Bartender at a full service Italian restaurant and bar, servicing both customers at bar and tables, while servicing the wait staff as well. Also was responsible for all of the wait staff's close outs.

Server/Bartender/Assitant Manager, Hooters: Evansville, In. 2000-2004

Began working for Hooters as a bartender/server, and was later promoted to trainer/promotions director. Eventually I went through restaurant management training and became assistant manager. As assistant manager, I opened and closed the restaurant, made schedules, cooked, and supervised a very large staff of servers, hostesses, and cooks.
