Please accept my resume for a position within your establishment. I pride myself on customer service. I love serving / bartending and knowing I made someone's day because they were able to come see me. I have a strong work ethic and think I would be a great addition to your team. I am proficient with most POS systems. I am a fast learner and am open to learning new traditions and ways.

I am able to build a clientele and keep them coming back for more. This also has helped me build my sales at each venue I have had the pleasure of working at.

I am excited about the possible opportunity to work with you and your team and I feel I would be a perfect fit.....

Thank you for your consideration and reviewing my resume. I look forward to hearing from you soon.

Sincerely,

Brittany Ingamells
