## **BIO**

Hello,

I was a former employee at JW Catering in Sunnyvale, CA for about a year from 2012-2013. I originally left the catering business to further my education, and I am now fully prepared and eager to re-enter into the catering industry. I was doing research on prestigious catering companies and I came upon yours, piquing my interest in working as a server. With my extensive experience as a caterer/caf  server and my numerous skills, I assure you that I would serve as a great asset to your team. Thank you for your consideration.
