Check Certification Records

This function allows you to lookup any individual trained by either the participation number assigned, or by their last name and the last four digits of their Social Security Number. This function is used to verify the certification status of a job applicant.

To proceed, please enter either the Personal Identification details or the Student identification details, and click the button labeled Look Up this Individual.

Student Identification

Please enter the participation #:

or

Personal Identification

Please enter a last name:

..and the last 4-digits of their Social Security Number:

[Look Up this Individual](#)

FOUND RESULTS: JESSE DAMRON, in Los Angeles CA USA

Certifications

Course Name	First Trained Date	Last Score	Last Expiration Date	Certification #
TIPS On Premise	09/06/2013	83%	09/06/2016	3570480
