Objective;

I would like to reacquaint myself back into the work force. I have been a homemaker for a number of years, and now find myself as a Single parent. I have from time to time been employed at different jobs depending on where I have resided. I am proud to support a healthy, loving, growing 5 year old son.

During this down time, business life has been challenging for all customer based businesses. I feel; I have the ability to bring my life lessons to the market place. Over the years I have developed many skills that will provide excellent service, communication skills, and satisfaction to your valued regular customers.

I am open and qualified to perform retail, customer service, custodial, or be trained at any detailed task. I am willing and able to take direction and follow thru to the highest expectations. Any specialty Training and educational resource is welcomed with open enthusiasm. Please consider me for your open position, as I feel we can flourish together.

Education;

High School Diploma; General Education
Silver Creek High School
San Jose, California.

California Food Handler Training Prep Certification
