I began my career in the Food/Beverage/Hospitality industry in 1984. I am a veteran Bartender that has experience in every Restaurant/Bar position. I am looking for a Part/Full Time Bartending position or any position that could lead to bartending. Bartending is the one true love of my life. I have also been fortunate enough to have Bar/Restaurant experience in North Carolina, South Carolina, Washington D.C., Connecticut, and Vermont. I have Corporate Restaurant experience through Applebee's, Bennigan's, and Olive Garden. I also have extensive catering experience.

I will gladly volunteer my time for a shift to shadow someone to show that I have the necessary skills for the job.

Unfortunately due to a near fatal accident in late 2013, I have not recently been employed in the industry.
My experience: 20+ yrs. Bartending; 15+ yrs. Serving; 4+ yrs. Cooking; 4 yrs. Management.
