Bobby Lee's Trip Advisor Reviews

Thoroughly enjoyed our trips with the two day ticket in San Francisco last week. This was a really good way to see all that this city has to offer, especially when you first arrive and are finding your bearings. Our guides Patricia, Aaron & Bobby - Lee were all informative and entertaining in their own unique ways. Also the gentleman at Union Square who made sure everyone was in the right queue for the right bus. Tours undertaken included the Downtown tour, San Francisco Night tour, Golden Gate tour, Parks & Beach tour as well as the China town walking tour. Wished we'd had more time to complete all of the tours available.

"Nothing special"

Take my hat off to our tour guide, Bobby Lee! He knows what he's talking about, friendly, and helpful. There's nothing special really about the city tour itself, and their pickup points are difficult to find, and no specific time when the buses are coming, except for 15-30 min interval.

"Awesome Tour Guides and A Great Time"

Bobby was awesome. If you go on a Little China tour with him ask him about the Butcher and the Baker, but tell him to make sure the Baker is open - hehe - he'll get it. Seriously though, he is very friendly, knowledgeable and he keeps you interested in the sites. All the drivers and guides we crossed paths with were all very friendly it just seemed that every time we got on the bus Bobby was there. The company could invest some money in improving the sound systems and the overall condition of the buses, but that had very little impact on our ability to enjoy the tours.

"Perfect way to see the city"

The two-day pass on the double-decker buses allowed our family to see the major sights in San Francisco with plenty of history and humor. Tour guide Bobby Lee also led us on a wonderful tour by foot through Chinatown that was a highlight of our trip.

"Downtown Loop"

Bobby Lee, the guide, and Josh, the driver, got us round the loop with the right amount of information, humour, and safety, in the lovely city of San Francisco. I'd recommend this company for sightseeing tours of the city.

"Awesome!"

A must if you want to see San Francisco without driving, as driving would of been a nightmare. We did all the tours bar the redwood tour. Tour guides were very knowledgeable and all had there own spin on the city. Loved Paul, he was the best!! Bobby lee close behind. The guy doing the bridge tour must of been a ex comedian as he was at driving than telling jokes! One thing it is cold!

Always take a jacket! Book the Alcatraz tour in advance.

Bobby Lee, I am with you for a great time, interesting, fun, and enjoyable, can only

enjoyable experience!

My husband and I took the 48 hour Hop On Hop Off option in San Francisco and Bobby Lee was very helpful to us in planning our itinerary and giving us many great suggestions along the way. Great narration, fun sense of humor, and extremely enjoyable for us to have him as our guide. The other guides that we had were Ray and Paul over the next day on the tour...also very knowledgeable and personable with the guests aboard the bus. When exploring a new city, we wouldn't do it any other way but with one of your tours!! Thank you for such a complete overview of the city!! Thanks Bobby Lee!!

"Waste of money, wish I could get it back."

Your guides are absolutely rubbish. Bobby Lee was dear city sightseeing, give me my money back! I thought I was going to die on the way back from Muir Woods, the driver/tour guide was actually looking for music to play on his iPod on the way down a terrible winding road. I've done these in nearly every big city I've been in and this was by far the worst! \$90 for 3 days. The tour guides didn't really provide any real information, I'd even go as far as saying ignorant with some of the things they said. Chinese people and Korean people are basically the same! I wish I was making this up.

"Great value and very informative"

Bobby Lee was fantastic - very funny and very informative. Highly recommend this tour if you've got limited time. We did the downtown tour, linked with the parks tour - both of which were excellent. The most comprehensive city tour of its type I've been on.

"Night tour - great way to finish your day off"

Done a few tours with the company, but thanks to Bobby Lee this was my favorite. Lots of interesting facts about the city, but done so in a fun and playful way making the tour much more fun than some of the other tours I've been on. If you manage to have Bobby as your guide your in for a treat!

"Entertaining And Informative"

If you are lucky you will have Bobby Lee as your city tour guide..amusing yet knows amazing things. Enjoyed a cold and windy trip on top of the bus, but great hour and a half..he also does walking tours in Chinatown evidently. The Sausalito tour was also lovely with a couple of photo stops and great info. We booked 72 hours and got the Alcatraz trip included, which was great! Good inclusions..off to do night tour tomorrow night! Great value.
