To Whom It May Concern:

I am looking for work in the hospitality industry, preferably a food and alcohol server position. I have over fifteen years experience in restaurants, which includes food prepping, dishwashing, bussing, hosting, bartending, catering, and some managerial. When it comes to service my tableside-etiquette is impeccable. I am thorough and conscientious. I have superb organizational skills and I pay attention to detail. I am capable of making high volume sales and quick table turnovers, and can efficiently sell a large percentage of chef's special's daily. I am a waiter who cares about customer satisfaction and the quality of service that they deserve and who can improvise when needed to ensure that satisfaction. I maintain professional decorum at all times and I possess a driven obligation to ensure all my guests have a memorable dining experience. I work very well with others and can perform all job responsibilities with diligence.

Sincerely,

Brian Mosiej.
