Extensive experience in the service industry from retail to high end restaurant/bar industry to a continuing professional fashion/sports photography career proves a great deal of one's capabilities with the public at all levels of interaction. A background in scuba instruction and professional BMX (riding for factory sponsored Schwinn team) brings an understanding of a wide range of equipment to a long list of personal skills including first responder and educator.

### EXPERIENCE

#### **Freelance Photographer 1990-Present**

A deep on going interest in Fashion and Sports this continuing career is always developing and growing. Wide variety of experience in handling all aspect of my craft from organizing locations, shooting, edits, color correction and refining images to final product to print or digital storage delivery also including safe storage for future usage.
