To work in the entertainment of people thru good food, laughter and festivity. I want to be part of a team that joins together to create environments of good enjoyment and social connection, working with teams of people who have like objectives of being part of a precision effort to make it *the best*.

## Education

- Gilroy High School, Gilroy, California (graduate 2010)

## Experience

June 2013-October of 2013

Delivery, Cashier, Preparation, Busser **Round Table Pizza**

I worked with others to create *the last honest pizza*, to assure prompt delivery times, to have the cleanest and most efficiently ran franchise possible and in my opinion accomplished that This is the place for a brief summary of your key responsibilities and most stellar accomplishments.

## Communication

I think that I especially like and enjoy working in restaurant, catering and the likes because I love the sound of laughter, smiles and faces enjoying their selves. I do everything in my ability to promote this attitude of joy to all around, both to workers and clients alike; I am very strong in good professional conversation with others, spreading cheer and productivity.

## Leadership

I evolved with a lot of youth groups as I grew up and it really aided me in my ability to put things together, building winning teams; was I competitive? Yes, but with a smile. I love to help others do their best and encourage winning attitudes.
