Objective:

Janitor

Summary: Over 9 years of progressive Janitorial experience. I have worked in a wide variety of settings including: Manufacturing and Multi-Unit apartment complexes. I am self-motivated, efficient, and able to adapt to a variety of cleaning situations as they arise.

Specific Skills:

- Gather and empty trash.
 - Clean building floors by sweeping, mopping, scrubbing, or vacuuming.
 - Strip, seal, finish, and polish floors.
 - Notify managers concerning the need for major repairs or additions to building operating systems.

Work History:

Grounds Keeper

Windemere Apartments Sunnyvale, CA 4/2001-5/2010

- Performed scheduled daily janitorial/grounds keeper tasks and additional cleaning jobs as needed.
 - Routinely shampooed common area carpets and buffed the floors.
 - Mixed water and detergents or acids in containers to prepare cleaning solutions, according to specifications.
 - Gathered and emptied trash.
 - Power Washed the Walkways.
 - Minor patching and painting of walls
 - Parking lot maintenance, including updating and painting the lines.
 - Picked up abandoned tenant property and properly disposed.
 - Cleaned windows, glass partitions, or mirrors, using soapy water or other cleaners, sponges, or squeegees.

Janitor

Electronics Manufacturing Milpitas, CA 8/1999-7/2001

- Dusting, Vacuuming, Spot Cleaning
 - Refilling supplies and dispensers
 - Assist custodial staff for special projects and/or perform any open job for which coverage is necessary due to departmental absences

Training & Additional Skills:

Certificate in Chemical Safety & Hazardous Communication

Bi-lingual English & Spanish
