- Web Design Certificate, CCSF
- Working towards Digital Illustration Certificate, CCSF

Skills & Abilities

FOOD RUNNER/BUSSER

- I can quickly assess the layout and placement of tables, learn the different menu items by sight and gracefully position correct plates to their corresponding locations under busy and high energy conditions.
- I am friendly, efficient and professional with clientele while performing my duties.
- I can correctly and unobtrusively set and reset tables in either a high-energy setting or in a more relaxed atmosphere, and can be pleasant and non-interruptive during the dining experience in this role.

HOST/BARISTA/BARBACK

- I can gracefully set phone reservations and seat guests in a restaurant, while keeping balance in the workload created for the wait-staff with my seating arrangements.
- I understand and can operate an espresso machine, and can quickly understand establishment standards regarding how to make cappuccinos, lattes and all other coffee related beverages.
- I can quickly stock a bar to support the bartenders in a high energy environment, and understand the need for efficiency in this role.

WAITSTAFF

- I am a gracious and pleasant personality with guests while correctly writing down food and drink orders, and have some experience with a POS system.

Experience
