**OBJECTIVE:** I am looking forward to working in a manufacturing or warehouse position or a grocery store position. I have relevant past experience in many areas of assembly, construction, and warehousing and I'm eager to learn new skills.

**RELEVANT SKILLS:**

- Over 15 years experience in all aspects of residential maintenance
- Experienced in stocking and managing inventory
- Owned and operated my own pressure-washing business for 8 years
- Safe and skilled use of hand tools including drills, dremmels, sanders, and skill saws, as well as a variety of pneumatic and power tools.
- Excellent manual dexterity and ability to understand assembly procedures
- Motivated to complete projects in timely manner and maintain neat work area
- Professional disposition and willing to learn and take direction in a team setting
- Able to trouble shoot problems and work independently as needed

**EMPLOYMENT HISTORY:**
