CAREER FOCUS

I am currently a student at The Art Institute of California San Francisco majoring in Culinary Arts. My goal is to eventually become a Head Chef or Sous Chef at a high-end restaurant or a restaurant of my own. I focus mainly on savory but also enjoy baking from time to time.

SUMMARY OF SKILLS

My personality is out-going yet quite reserved.
I am very comfortable in starting and keeping up a good conversation.
I'm also very good at consolidating; being a Culinary major makes you VERY organized.

EDUCATION AND COURSEWORK

2015

High School Diploma
San Benito High School - Hollister, CA, United States
Graduated with a 3.78 GPA.
Also took AP English 11 & 12, and Chemistry Honors.
(AP classes are college courses)

EXPERIENCE

I was a waitress for just over two years at The Grove Hollister CA. I have a wide range of experience working with customers one on one and helping with their needs. During my time at the grove I had many roles including hostess as well as waitressing and cashier taking both cash and credit cards. Working at The Grove solidified my future going forward. My passion is working in the restaurant environment.

I also worked in retail for about 6 months so I have experience in locating items in the store, cleaning up shelves, recommending other products that fit the customer's needs.
