### **Profile**

A current student with 7+ years of experience in customer service related positions, specifically 5+ years as a Server. I am planning to move to Sacramento as soon as possible and attend a community college in the area.

### **Experience**

#### **Server, Seasons 52, Sacramento, CA – Nov 2018-Current**

This is a casual fine dining restaurant. My duties are; follow all steps of service, full responsibility for all tables in section, take orders, run drinks, run food, give fast, friendly service and make sure every customer has an excellent experience at our restaurant.

#### **Server/Bartender, Cucina Venti, Mountain View, CA – Sep 2017-Current**

This is a fine dining Italian Restaurant in the heart of the Silicon Valley. This job requires knowledge of high end wine and spirits and the high quality meals require perfect service. I have grown into an excellent server at this restaurant and expanded my bartending knowledge.

#### **Server/Bartender, Party Staff, San Jose, CA – July 2015-Sep 2016, April 2017-Current**

Work wide range of catered events. Must have general catering knowledge. Must be able to carry an oval. This job gave me the ability to adapt to any setting, situation, and interact with many different people. Main place that I work is **Schwab at Stanford University**, which is always formal dining.
