PROFILE

Corporate and Personal Chef with a passion for creating unique, delicious and healthy meals. Known for strong event management and keen listening skills that result in food and events that meet or exceed clients expectations. Warm and personable service professional who delights in the challenges associated with special requests and dietary restrictions.

EXPERIENCE

Sous chef at Skywalker Ranch; Nicasio California ~ 2007-2015

In this position, I prepared meals for George Lucas and his immediate support staff as well as providing services to a variety of guests and directors. Duties included menu writing, cost control, and working in concert with the rest of the staff at various locations on the ranch.

Lead on-site event chef, Sage catering; San Rafael California ~ 2001- present

In this capacity, I organized and executed events, managed on-site event staff, and was the liaison between event coordinator, management and my kitchen staff.

Personal chef; Marin County California ~ 2006 - present

Working closely with personal clients, I have successfully provided personal dining experiences for groups ranging from 2 to 40 guests.

Sous chef, Wired magazine; San Francisco, California ~ 2006

Prepared breakfast and lunch for the staff at Wired magazine. Duties included menu writing, ordering and coordinating special menu requests.

Currently CPR certified

Serve Safe Certified through 2018

EDUCATION

UCSB 1997-1999 studied Psychology and English

Santa Barbara City College 1996- 1998
