

Desmond E. Carr
5840 Wabash Ave
Kansas City, Missouri 64130
(816) 996-1425

My objective is to find a company that matches my work experience and skills as I re-enter the work force from running my own business. My goal is to build a long term career with a company that is strong and reliable.

Summary of experience:

Prior business owner of local barber shop, my experience includes, opening and closing the shop, hiring barbers, maintenance of the shop, ordering supplies, customer service, weekly bookkeeping, daily bank deposits, and building clientele.

I also have experience in the following areas
Operating zip sort machine
Quality assurance
Use of hand pallet jack and electric pallet jack
using measuring tools
Blueprint reading
cooking experience in restaurants
