

READ THIS IMPORTANT INFORMATION:

Six local public health agencies serving the Missouri portion of the Kansas City Metropolitan area are working together to increase the effectiveness of food handler education.

This permit is valid in the following areas: Blue Springs, Buckner, Grain Valley, Grandview, Greenwood, Lake Lotawana, Lee's Summit, Lone Jack, Oak Grove, Raytown, Sugar Creek and Unincorporated Jackson County.

If you wish to use this food handler training in Cass County, Clay County, Independence, Kansas City, or Platte County, you will need to take a proctored exam. To take the proctored exam, you will need a current valid picture identification along with this certificate. Please call 816-847-7070 to schedule a proctored exam.
