## LISA VOSS

### OBJECTIVE

---

To provide quality customer service to event attendees.

### MAJOR ACCOMPLISHMENTS

- Served as Chair on two WASC visiting committees in the last two years, leading a team of visiting committee members in discussions, interviews, and writing of a final WASC Visiting Committee report.
- Added LCAP Accountability as well as now in charge of the WASC coordinators at three schools. Led WASC and LCAP committees in analyzing data and updating action plans.
- As Title III Coordinator, brought all IEM schools into compliance with Title III regulations by researching, purchasing, and implementing new ELD curriculum.
- Was a member of the WASC leadership team, participating in WASC trainings, leading focus groups and writing of final WASC document, resulting in a 6 year accreditation.
- Created and monitored personalized education plans for homeschooled students, allowing their parents to avail themselves of "parent choice" options for their children's' education.
- As a BTSA support provider, initiated a new model of benchmark support for independent study teachers in the region, giving them greater skills through self assessment.
