PeopleG2 provides the information contained in this report to End-User to be used solely for a permissible employment purpose as defined in the Fair Credit Reporting Act. If the End-User intends to take adverse action based in whole or in part on the contents of this report, the End-User must provide the consumer with notices that it is taking adverse action and those notices must comply with the FCRA and state law. All information contained in this report is provided pursuant to the terms of the End-User Agreement. End-User further understands that it uses any and all information provided by PeopleG2 at its own risk and End-User is solely liable for complying with all federal, state, and local laws. The information contained in this report is confidential and may only be accessed by authorized employees of End-User, provided to the consumer about who it relates, or provided as otherwise required by law. PeopleG2 recommends that End-User screen its applicants or employees at the county court-house or online system, federal, and multi-state/nationwide database levels. End-User understands that if it chooses not to conduct searches at these levels, PeopleG2 cannot be held responsible for any records that exist that are not included in the End-User's coverage requested. End-User further understands that the multi-state/nationwide database report will only be offered in conjunction with a county-level verification of any records found and that End-User will bear any additional costs associated with this verification.

This information received from PeopleG2 shall not be used as the sole determination for the evaluation of any applicant or tenant. As the requester, you agree that all information received for pre-employment or tenant purposes shall be used for lawful purposes. Complying with the Federal Americans with Disabilities Act, the Federal Equal Opportunity Act, the Federal Fair Credit Reporting Act and any other Federal or State privacy or confidentiality law, now in effect or hereafter adopted is your responsibility. Where possible, reports containing criminal charges have been verified with the appropriate court or bureau. These searches are name searches, and typically use date of birth or other identifies when possible. The only greater identification might be with the use of fingerprints or DNA tests. Total accuracy cannot be guaranteed, as the data submitted by the requester will directly determine the accuracy of the results obtained.
