customer service skills * Ability to multi-task under pressure**

2014 – PRESENT GIVE ME A BREAK EVENTS, SAN DIEGO, CA

For the past 18 months, I have worked for this southern California hospitality company, primarily working as a banquet server and captain for a variety of well known establishments, including the Manchester Grand Hyatt Hotel, University of San Diego, the Hyatt Aventine Hotel in La Jolla, InTuit Technologies, just to name a few, as well as private home events. My duties would include the set-up and breakdown of events, beer and wine bartending, table side food and beverage service, (including synchronized dinner service), tray passing of appetizers, wine, beer & speciality cocktails and managing other staff to make sure the proper steps of service were being adhered as to, per company guidelines.

2012 – 2014 METROPOLIS LOUNGE, LONDON, ENGLAND

Working on a contract basis to help friends with their start-up restaurant and lounge, I was involved in the hiring and training of staff and helping to write SOPs and the steps of service. Once the business was open, I stepped into the position of host and ran the front of the house with duties ranging from taking reservations and recommending wines and cocktails, to greeting and seating guests, drawing up sections for the servers and helping them throughout their shifts when they were busy.

2010 -2012 IL PANTHEON, LA COSTA, CA

Host and Maitre 'D for this elegant and sophisticated Italian restaurant. My responsibilities were to check for reservations, relay any special requests to the staff and to assign 'sections' to them, as well as answering the telephone, recommending wines from our vast inventory, 'touching' every table with genuine sincerity and making sure that the bathrooms were clean. I was the first and last person that the guests came into contact with, so it was my duty to warmly greet them, check for reservations (if they had them) and escort them to their tables.

2006 – 2009 VIDA GOURMET, LA JOLLA, CA

In my position as host for this restaurant, I had a wide variety of responsibilities. I greeted every guest with a smile and answered questions about the background of this new business, helped suggest wines (both domestic and international) from our wine list, took reservations for lunch, dinner and weekend brunch as well as taking reservations for our extensive home delivery service and relaying this information to both our chef and delivery driver. I regularly checked the bathrooms for cleanliness, helped the serving staff to bus and reset tables and assigned them sections depending upon our 'numbers' for that shift.
