## SUMMARY

Begin a career path of professional growth and development by aligning with a company that provides an opportunity to expand on my technical and service skills.

## EXPERIENCE

### **Barista, Peets Coffee & Tea**

Oakland, CA — 2012- 2016

Exceeding customer service expectations while maintaining store cleanliness and crafting high-quality beverages to customers' satisfaction. Strived for sales goals and was top in the district in bean sales.

### **Barista, Tullys Coffee**

Berkeley, CA — 2011-2012

Maintaining store cleanliness, opening and closing duties, register/cash handling while preparing beverages in a fast manner to customer satisfaction.

### **Quality Assurance tester**

South Bay, CA — 2009- 2011

Over the course of roughly 3 years, I worked as a contracting video game tester for several different companies that ranged anywhere from 1 to 9 months. Job duties included finding errors in games and writing detailed reports in a data base for the developers to duplicate and fix.

## EDUCATION

### **Arroyo High**

High School diploma — 1999-2002

Completed all required courses with an emphasis on performing and theatre arts. Excelled at performance and had several lead roles in all musicals and plays that were run through the school system.

### **Berkeley City College**

Associates degree in progress — 2015- present
