SAN FRANCISCO GIANTS  
San Francisco, California

Designated Driver Promoter/Guest Services Representative  
March 2013 - Present

- I was assigned to the Designated Driver booth in 2014. During that season, I instrumentally brought the 2010, 2012, and 2014 World Series Champions' numbers up to sixth place with unorthodox methods I continue to use to increase fan pledges
- I am the sole booth promoter to acquire on average 100 to 150 pledges per game (more than the average 50 for a booth attendant) with a record number of 242 during the 2015 baseball season
- Simultaneously, I collaborate with the Guest Services Manager and Director on methods to dramatically increase the club's pledges with the goal of making it the No. 1 baseball club in the continent on the TEAM Coalition list
- I work with the Vice President and Front Office Staff of Guest Services as ambassador to the baseball club creating an awesome fan experience by marketing and promoting the club. In this capacity, I set up and participate in fan giveaways and special events; advance the importance of the Designated Driver program; create souvenir certificates for first-time baseball attendees using Microsoft Word; greet and direct those visiting AT&T Park right before and during games; assist those with special needs; answer questions about the park and surrounding area; tend to lost-and-found issues; mingle with guests – especially, regarding topics of current sports events or special events; and interact professionally with high-profile clients and front-office staff

ADECCO NA  
San Francisco, California
