To whom it may concern,

I am happy to recommend Joey Javernick to your staff and pleased to have the opportunity to say a few words on his behalf. I have known Joey since 1998 both as a member and employee at Rancho Santa Teresa Swim and Racquet Club. Joey would actively partake in all our events and no matter what the work entailed he was always there with a helping hand. He never refused an opportunity to work or assist his co-workers with the daily tasks. He was liked by all, and admired by the children for his athleticism and good nature.

I am certain that you will find him energetic, capable and loyal-and an asset to your staff.

If I can give you any further information, please let me hear from you.

Sincerely,

Jackie Demmy

Gentlemen,

We are a commercial cabinetry and millwork company serving the bay area. We have been doing business for the past 40 years. Our projects included stock exchanges, banks, retail clothing stores, restaurants, and high end residential cabinetry & millwork.

Mr. Joey Javernick has been an employee for over 4 years. He has been very dependable, a hard worker, and one of our valued employees. His qualifications include reading plans, shop assembly, and cabinetry installation. He has run several projects and met all deadlines.

Due to decline in sales and the economy, I have decided it is time to retire. I would like to recommend Joey to you for employment!

Sincerely,
