## EXPERIENCE

### **Federal Express, Sacramento CA Airport— Shipping**

August 1st 2006 - July 7th 2013

Forklift operator in charge of transporting freight onto semi trucks in a timely manner. Manually inspect the conveyor belt and supervising employees scanning freight to be directed to the proper locations. Maneuvering and loading metal containers for aircraft transportation.

### **Tasq Technology, Sacramento CA — Dock supervisor**

June 5th 1999 - August 12th 2005

Accurately pulled inventory orders from shelves and delegated them to the proper shipping dock to be distributed globally. Maintained a professional work environment by supervising employees using conveyor belts and shrink wrapping packages.

### **Federal Express, Sacramento CA Airport— *Materials Handler***

May 15th 2003 - December 8th 2005

Manually sorted freight brought in by aircraft and sent them to the proper containers to be delivered to their temporary destination before being shipping to their final location. Assured that all international freight was delivered to the appropriate FedEx shipping trucks before 5pm. Responsible for scanning documents and mailing to accurate address. Securing the facility by locking up at the end of every shift.
