Congratulated by three former US Presidents: Carter, Ford, and Reagan and the Secretary of the Air Force and Joint Chef of Staffs for becoming an Eagle Scout.

Skills: Emergency Medical Technician under Pennsylvania Dept of Health

CPR Certifications

Worked in Laboratories, and plenty of laboratory experience with Science courses

Medical Assisting training certificate from Onondaga Medical Career School, Syracuse, NY

Public Speaking and Expository Writing

I have worked in various nightclubs and bars, restaurants and hotels in the Pittsburgh, PA and Syracuse NY areas.

Experiences:

1999 - 2000, I did an internship in Clinical Pathology at University of Pittsburgh School of Medicine. I participated in autopsies. I was one of three selected at a time, out of 30,000 students at University of Pittsburgh.

1999, I worked as a laboratory assistant. I did a lot of cleaning and sterilization at laboratory.

2000, I served as an assistant in Basketball leagues as an Americorps worker in Pittsburgh Health Corps.

2001, I worked as a contracted employee at Children's Hospital in Pittsburgh, PA in Central Processing and Sterilization Dept.

I have written many essay research dissertations while in college, for example: " The Role of Helicopters in Aeromedical Operations." I also performed many experiments and written lab reports in Biological, Chemical, and Physical Sciences in college. This is from using the microscope, to Acid Base Titrations, Thermite Processes, Purification and Separation techniques in Organic Chemistry ex. Distillation, Recrystallization, and to Physics Centripetal motion.

Employment: While in school worked various part-time positions.
