### *Teaching & Work Objective*

A position as a preschool teacher. To assist children in their early childhood development stages. Through creative; interactive learning and developmental activities that promote and enhance their motor skills, emotional development and social skills.

### *Teaching Skills*

Strong ability to monitor and track childhood development.

Strong ability to transmit enthusiasm and foster children's appetite for learning.

Strong ability to influence, inspire and motivate children.

Skilled with the ability to establish effective parent/teacher relationships and clearly communicate issues.

### *Personal Dedication*

I am an earnest, task oriented, honest, loyal and trustworthy individual. A hard worker and I am very passionate about the plight of children. I believe through quality and compassionate early childhood education that I can make a difference in the lives of children and thus their families and our communities.

### *Teaching Experience*

Teacher

August 2009 to October 2009
