## **SKILLS SUMMARY**

### **Landscaper**

- Gathered and removed litter.
- Used hand tools, such as shovels, rakes, pruning saws, saws, hedge or brush trimmers, or axes.
- Operated vehicles or powered equipment, such as mowers, tractors, twin-axle vehicles, snow blowers, chain-saws, electric clippers, sod cutters, or pruning saws.
- Watered lawns, trees, or plants, using portable sprinkler systems, hoses, or watering cans.
- Pruned or trimmed trees, shrubs, or hedges, using shears, pruners, or chain saws.
- Mixed and sprayed or spread fertilizers, herbicides, or insecticides onto grass, shrubs, or trees, using hand or automatic sprayers or spreaders.
- Cared for established lawns by mulching, aerating, weeding, grubbing, removing thatch, or trimming or edging around flower beds, walks, or walls.
- Followed planned landscaping designs to determine where to lay sod, sow grass, or plant flowers or foliage.
- Trimmed or picked flowers and clean flower beds.
- Attached wires from planted trees to support stakes.
- Planted seeds, bulbs, foliage, flowering plants, grass, ground covers, trees, or shrubs and applied mulch for protection, using gardening tools.
- Mowed or edged lawns, using power mowers or edgers.
- Raked, mulched, and composted leaves.

### **Laborer**

- Controlled traffic passing near, in, or around work zones.
- Cleaned or prepared construction sites to eliminate possible hazards.
- Signaled equipment operators to facilitate alignment, movement, or adjustment of machinery, equipment, or materials.
- Read plans, instructions, or specifications to determine work activities.
- Loaded, unloaded, or identified building materials, machinery, or tools, distributing them to the appropriate locations, according to project plans or specifications.
- Measured, marked, or recorded openings or distances to layout areas where construction work will be performed.
- Dug ditches or trenches, backfill excavations, or compact and level earth to grade specifications, using picks, shovels, pneumatic tampers, or rakes.
- Mixed, poured, or spread concrete, using portable cement mixers.
- Tended pumps, compressors, or generators to provide power for tools, machinery, or equipment or to heat or move materials, such as asphalt.
- Erected or dismantled scaffolding, shoring, braces, traffic barricades, ramps, or other temporary structures.
- Provided assistance to craft workers, such as carpenters, plasterers, or masons.
- Lubricated, cleaned, or repaired machinery, equipment, or tools.
- Positioned or dismantled forms for pouring concrete, using saws, hammers, nails, or bolts.
