**SKILLS &
ABILITIES**

I have been employed at Osborne's Funeral Directors in San Francisco from May of 1983 until September of 1989. While I was employed at Osborne's, I assisted with embalming, casketing, dressing hundreds of human remains for burial or cremation. I have answered hundreds of first calls by families. I have made hundreds of pre-arrangements with families for burial plots. I have driven the hearse in hundreds of funeral processions. I have made arrangements in the showroom for the sale of caskets.

EXPERIENCE

FUNERAL ASSISTANT AND EMBALMER ASSISTANT

From May of 1983 until September of 1989. I have assisted with preparing individuals whose death or cause of death may require restorative art work or other kinds of injuries that may require working on the deceased in order to make open casket viewing possible for the family.

DATES FROM – TO

This is the place for a brief summary of your key responsibilities and most stellar accomplishments.

EDUCATION

SAN FRANCISCO COLLEGE OF MORTUARY SCIENCE GRADUATED MARCH OF 1984 WITH MORTUARY SCIENCE DIPLOMA AND ALSO HAVE AN ASSOCIATE OF ARTS DEGREE FROM COASTLINE COMMUNITY COLLEGE, 2004, FOUNTAIN VALLEY, CALIFORNIA DEGREE

You might want to include your GPA here and a brief summary of relevant coursework, awards, and honors.

COMMUNICATION

I have great oral communication skills at least that what I believe and I know how to talk to families when they have suffered the loss of a loved one. Grief sometimes cannot be explained easily. You must explain to the bereaved that it takes time to adjust to the death of a family member.
