EXPERIENCE

Starbucks, Moreno Valley — Barista

OCTOBER 2016 - MAY 2017

As a barista, I crafted signature Starbucks beverages for customers whether it be taking the order in-store, the drive-thru or a mobile order. I always assured the customer left satisfied with their visit. Assisted in conflict resolution, money-handling and assuring the customer gets what they wanted.

Barnes & Noble Cafe, Riverside — Server & Barista

OCTOBER 2015 - OCTOBER 2016

In the cafe, I acted as both a server and a Barista. We proudly served Starbucks coffee and other pastries from various locations to create a homely cafe for book readers in the store.

Coffee Bean & Tea Leaf, Riverside — Barista

JUNE 2014 - MAY 2015

Location of this store was a small kiosk in the middle of the Riverside mall. Was able to work together with my partners to serve high volumes of customers and crafted their signature drinks just the way they liked them; whether it be a hot, cold, ice-blended or tea beverage.
