

# **Austin Pellowski**

2545 Lodestar St.  
Rocklin CA, 95677  
(916) 802-1271  
ampellowski@gmail.com

## **Formal Qualifications**

- Licensed CPA by Pearson Vue (Certified Associate Programmer; Yes I know that is not what CPA is commonly referred as or is even the correct initialism for the expanded term, but that is what Pearson called it)
- 3 Years of Coding Experience at Sheldon High School
- 4 years of Animation and Graphic Design at Sheldon High
- Weighted GPA of 3.80
- Multiple accelerated courses including AP World & U.S. History, AP & Honors English, AP Calculus, AP Economics, and AP Government

## **Skills**

- Proficient in Object Oriented languages, including C++, C#, and Visual Basic
- Proficient in Animation and Graphic Design
  - Animated parts of short film for Sheldon High School Regional Occupational Program (ROP) Animation Class
  - Created promotional material for aforementioned short film and compiled book showcasing art of the film
  - Created logo for Sheldon High School's "Alpha Dog" Event
- Skilled with Java
- Familiar with HTML & CSS
- Familiar with JavaScript

## **Experience**

- Participated in the 2015/2016 USAF CyberPatriot Security Competition (Placed Second in California at Silver Level)
- Worked as Head Artist for a 6-8 person team on a Short Film for Animation Class
- Taken several jobs for Acrobat Temp Agency
- Extensive experience (>1 year) resolving technical issues for a variety of smart home (Nest) products, while working for Voxpro (a subsidiary of TELUS International)
- Currently enrolled at Sierra College in working towards a CS Degree

## **References**

- Frank Foster - Accounting and programming teacher at Sheldon High School
