

Dear Hiring Manager,

I'm 31 years old. I have more than 3 years of positive cooking experience. I believe that making food is one of the most important skills in life. I'm very passionate in learning more about world cuisines. My goal is to grow with the company together and as professional for my personal development. I'm very good at faced-paced environment. I do a lot of research about cooking on my own. I totally understand the responsibilities of feeding people. At work I'm focused and professional. I believe that the image of each employee represents the image of whole company.

Sincerely,

Zula Hadaeva
