Official Issuer:

generally retained as established by food industry professionals. It is recommended that the course be repeated at the end of the effective date in order to refresh and reinforce your knowledge. eFoodhandlers does not place restrictions on how their Certificates are used. eFoodhandlers does not represent their Certificate as being associated with any particular license or permit. It is up to your local jurisdiction to make that determination based upon their rules and your job function. If you have questions as to how an eFoodhandlers Certificate relates to your local requirements, you should contact your Environmental Health department.
