PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT

The following confirms and memorializes an agreement (this "Agreement") that Palantir Technologies Inc., a Delaware corporation (the "Company"), and _____ have had since the commencement of my contracting engagement with the Company in any capacity (the "Effective Date") and that is and has been a material part of the consideration for my contracting engagement by Company:

1. I have not entered into, and I agree I will not enter into, any agreement either written or oral in conflict with this Agreement or my contracting engagement with Company. I will not violate any agreement with or rights of any third party or, except as expressly authorized by Company in writing hereafter, use or disclose my own or any third party's confidential information or intellectual property when acting within the scope of my contracting engagement or otherwise on behalf of Company. Further, I have not retained anything containing any confidential information of a prior employer or other third party, whether or not created by me.

2. Company shall own all right, title and interest (including patent rights, copyrights, trade secret rights, mask work rights, *sui generis* database rights and all other intellectual and industrial property rights of any sort throughout the world) relating to any and all inventions (whether or not patentable), works of authorship, mask works, designs, know-how, ideas and information made or conceived or reduced to practice, in whole or in part, by me during the term of my contracting engagement with Company, to the fullest extent allowed by applicable law (collectively "Inventions"). I will promptly disclose all Inventions to Company and, to the extent allowed by applicable law, I will also disclose anything I believe is excluded so the Company can make an independent assessment. I hereby make all assignments necessary to accomplish the foregoing. I shall further assist Company, at Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce, and defend any rights specified to be so owned or assigned. I hereby irrevocably designate and appoint Company as my agent and attorney-in-fact, coupled with an interest and with full power of substitution, to act for and in my behalf to execute and file any document and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by me. If I wish to clarify that something created by me prior to my contracting engagement that relates to Company's actual or proposed business is not within the scope of the foregoing assignment, I have listed it on Appendix A in a manner that does not violate any third party rights. Without limiting Section 1 or Company's other rights and remedies, if, when acting within the scope of my contracting engagement or otherwise on behalf of Company, I use or (except pursuant to this Section 2) disclose my own or any third party's confidential information or intellectual property (or if any Invention cannot be fully made, used, reproduced, distributed and otherwise exploited without using or

violating the foregoing), Company will have and I hereby grant Company a perpetual, irrevocable, worldwide royalty-free, non-exclusive, sublicensable right and license to exploit and exercise all such confidential information and intellectual property rights.

3. To the extent allowed by law, paragraph 2 includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively "Moral Rights"). To the extent I retain any such Moral Rights under applicable law, I hereby ratify and consent to any action that may be taken with respect to such Moral Rights by or authorized by Company and agree not to assert any Moral Rights with respect thereto. I will confirm any such ratifications, consents and agreements from time to time as requested by Company.

4. I agree that all Inventions and all other business, technical and financial information (including, without limitation, the identity of and information relating to customers or employees) I develop, learn or obtain during the term of my contracting engagement that relate to Company or the business or demonstrably anticipated business of Company or that are received by or for Company in confidence, constitute "Proprietary Information." I will hold in confidence and not disclose or, except within the scope of my contracting engagement, use any Proprietary Information. However, I shall not be obligated under this paragraph with respect to information I can document is or becomes readily publicly available without restriction through no fault of mine. Upon termination of my contracting engagement, I will promptly return to Company all items containing or embodying Proprietary Information (including all copies), except that I may keep my personal copies of (i) my compensation records, (ii) materials received solely in my capacity as a shareholder or optionholder of the Company (if then applicable), and (iii) this Agreement. I also recognize and agree that I have no expectation of privacy with respect to Company's telecommunications, networking or information processing systems (including, without limitation, stored computer files, email messages and voice messages) and that my activity and any files or messages on or using any of those systems may be monitored at any time without notice.

5. I agree that during the course of my contracting engagement with Company (whether or not during business hours), I will not, in the same or materially similar capacity as I worked for the Company, without the prior written consent of the Company, whether paid or not: (i) serve as a partner, principal, licensor, licensee, employee, consultant, officer, director, manager, agent, affiliate, representative, advisor, promoter, associate, investor, or otherwise for, (ii) directly or indirectly, own, purchase, organize or take preparatory steps for the organization of, or (iii) build, design, finance, acquire, lease, operate, manage, control, invest in, work or consult for or otherwise join, participate in or affiliate myself with, any business whose business, products or operations are in any respect competitive with the Company's business. Should I obtain another contracting engagement or employment during my contracting engagement with the Company, I agree to

provide written notification to the Company as to the name and address of my new employer, the position that I expect to hold, and a general description of my duties and responsibilities, at least three (3) business days prior to starting such contracting engagement or employment.

6. To the extent allowed by applicable law, I agree that from the Effective Date until twelve (12) months immediately following the termination of my relationship with the Company, whether I resign voluntarily or am terminated by the Company involuntarily, I will not directly or indirectly solicit, or recruit, or attempt to solicit, or recruit, any employee of the Company to leave their employment with the Company, nor will I contact any employee of the Company, or cause an employee of the Company to be contacted, for the purpose of leaving employment with the Company. In the event of my breach or violation of this Section 6, or good faith allegation by the Company of my breach or violation of this Section 6, the restricted periods set forth in this Section 6 shall be tolled until such breach or violation, or dispute related to an allegation by the Company that I have breached or violated this Section 6, has been duly cured or resolved, as applicable.

7. I agree that this Agreement is not a contracting contract for any particular term and that I have the right to resign and Company has the right to terminate my contracting engagement at will, at any time, for any or no reason, with or without cause. In addition, this Agreement does not purport to set forth all of the terms and conditions of my contracting engagement, and, as a contractor of Company, I have obligations to Company which are not set forth in this Agreement. However, the terms of this Agreement govern over any inconsistent terms and can only be changed by a subsequent written agreement signed by the CEO of Company.

8. I agree that my obligations under paragraphs 2, 3, 4, 5 and 6 of this Agreement shall continue in effect after termination of my contracting engagement, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary on my part, and that Company is entitled to communicate my obligations under this Agreement to any future employer or potential employer of mine. My obligations under paragraphs 2, 3 and 4 also shall be binding upon my heirs, executors, assigns, and administrators and shall inure to the benefit of Company, its subsidiaries, successors and assigns.

9. Any dispute in the meaning, effect or validity of this Agreement shall be resolved in accordance with the laws of the State of Delaware of the United States of America without regard to the conflict of laws provisions thereof. I further agree that if one or more provisions of this Agreement are held to be illegal or unenforceable under applicable Delaware law, such illegal or unenforceable portion(s) shall be limited or excluded from this Agreement to the minimum extent required so that this Agreement shall otherwise remain in full force and effect and enforceable in accordance with its terms. This Agreement is fully assignable and transferable by Company, but any purported assignment or transfer by me is void. I

also understand that any breach of this Agreement will cause irreparable harm to Company for which damages would not be an adequate remedy, and, therefore, Company will be entitled to injunctive relief with respect thereto in addition to any other remedies and without any requirement to post bond. I acknowledge and agree that to the extent permitted under Delaware law, I shall indemnify the Company from any and all costs, fees, or expenses incurred by the Company (including, but not limited to, attorneys' fees) in successfully enforcing the terms of this Agreement against me (including, but not limited to, a court temporarily, partially, or fully granting any application, motion, or petition by the Company for injunctive relief) as a result of my breach or threatened breach of any provision contained herein.

10. This Agreement constitutes the entire agreement and understanding with respect to the subject matter herein and supersedes all prior written and oral agreements, discussions or representations between the parties regarding such subject matter. This Agreement may be executed in counterparts and by facsimile, and each counterpart and facsimile shall have the same force and effect as an original and shall constitute an effective, binding agreement on the part of each of the undersigned.

[Remainder of Page Intentionally Left Blank]

I HAVE READ THIS AGREEMENT CAREFULLY AND I UNDERSTAND AND ACCEPT THE OBLIGATIONS WHICH IT IMPOSES UPON ME WITHOUT RESERVATION. NO PROMISES OR REPRESENTATIONS HAVE BEEN MADE TO ME TO INDUCE ME TO SIGN THIS AGREEMENT, WHICH I SIGN VOLUNTARILY AND FREELY.
