Current student aspiring to gain experience and find success in the business world. Team oriented and self motivated, I am searching for new opportunities to broaden my professional horizon and ideally find a place to contribute and grow with.

Professional Experience:

Power Choice: Sales agent- Full time call center agent from 2017-present. Enrolled previous customers in utility companies and also executed sales pitches to enroll customers with different clients.

Pacific Home Remodeling: Project manager- Full time employee from January 2017- November 2017. Met with clients by appointment and discuss options for home improvement, presented sales pitches, calculated scope of work, closed deals, and managed material acquisitions.

Meat on Ocean: Line cook for the opening of a new concept restaurant across from the Santa Monica pier.

Harvest Bar: Performed all back of house duties for the opening and continued operation of the Playa del Rey location.

Morrison Health group : Patient cook- Full time employee from 2014-2017. Prepares and produces meals daily for 250+ patients with exceptionally specific menu specifications. Also receives and manages catering requests for hospital staff and visitors.

RAW Artists: Assistant Showcase manager- Part time employee from 2015-present. Handles all aspects of organizing showcase events around the country including budgeting, coordinating with vendors, and promoting the company to book artists for said events.

Panda Express: Lead Cook/Assistant Manager- Full time employee from 2008- 2014. Primary productivity employee and assumed management duties full time when superior was absent.

Education:

Clark college at Vancouver WA(2006-2007) General studies with focus on computer science

Washington State University at Pullman WA(2007-2009) International Business Carson School of Business

Santa Monica College at Santa Monica CA(2015-present) Language and Marketing studies

Accolades

- Founding father of Alpha Gamma Chapter of Tau Kappa Epsilon Fraternity at Washington State University
