Attendance Policy

The cost of absenteeism and lateness is difficult to estimate, no one can calculate the cost of the burden this puts on others who have to do the absent person's work. Most people will be late or sick at one time or another. But when short-term absences become more frequent, they might signal personal, medical, or job-related problems.

It is your responsibility to notify your supervisor at least 24 hours prior to your shift of any anticipated tardiness or absence. **All tardiness or absences should be reported to the Emergency Line at 800.236.2276 x2207.** You should provide the general reason for your absence, and understand that excessive absences and lateness will lead to disciplinary action.

Below is a breakdown of how infractions will be measured. Any employee who accumulates more than three points in a 90-day period can result in termination of employment.

Tardy – Anybody not signed/ clocked-in by their start time. 1 Point

Call Off – Needing to be taken off a shift after schedules are sent out. It is your responsibility to request any desired time off in advance. 1 Point
