Why me, Alex Pascarzi for your business:

- I have 4+ years recent experience as a Front Desk Host, & Server/Bartender/Barista at Choquette's on Fillmore, and short cook and Barista experience at Murano Cafe on Steiner and most recently La Capra Coffee on 3<sup>rd</sup> st.
- I have been praised often for my welcoming, relaxed and eager to serve attitude, and often promoted to POS or front of house positions.
- I began my service experience at my family's restaurant 'Magoni's' in Fall River, MA when I was only 16. I always serve customers as if they are extended family I have not yet met, entering my own home.
- 15 years of service job experience working part-time, full-time and weekends including brunches in food service, front desk, and retail.

Special Experience:

- Great smile and sincere desire to serve others. You can't fake this, and when I host/welcome/serve people they relax into being taken care of and leave with that same feeling!
- Savvy with POS and reservation systems including Square, Open Table, and can learn other programs easily.
- Excellent at handling appointment changes with grace, and filling open time slots as they become available to maximize customer service and efficiency.
- I've made thousands of espresso drinks; mocha, cafe ole, latte, & Americanos, as well as pour overs, French press, & drip coffees.
- I like serving others, especially when the product is top notch!
- Well groomed, well meditated. I take pleasure and pride in my presence!
- Knows health codes, how to mop correctly, including how to use modern cleaners.
- Legal to work & have all documents for employment ready.

Availability:

- **I am NOT available consistently from 8-9am on Mondays (Can move to 1-2pm), and 4-5 on Wednesdays. All other hours are currently AVAILABLE 😊 I prefer early morning weekday hours.**
- **Personal Note: I am a friendly, outgoing person who needs a friendly environment to work in, and co-workers that share my value for respectful communication. If I see someone acting unprofessionally, I will report this to the appropriate manager or owner.**

Please let me know when I can come in to learn more about the position! I am ready to start and you can even try me out if you like.

Ready to work, and looking forward to showing you I am capable!

Best,

Alex Pascarzi
