## PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT

The following confirms and memorializes an agreement (this "Agreement") that Palantir Technologies Inc., a Delaware corporation (the "Company"), and [Signature] have had since the commencement of my contracting engagement with the Company in any capacity (the "Effective Date") and that is and has been a material part of the consideration for my contracting engagement by Company:

1. I have not entered into, and I agree I will not enter into, any agreement either written or oral in conflict with this Agreement or my contracting engagement with Company. I will not violate any agreement with or rights of any third party or, except as expressly authorized by Company in writing hereafter, use or disclose my own or any third party's confidential information or intellectual property when acting within the scope of my contracting engagement or otherwise on behalf of Company. Further, I have not retained anything containing any confidential information of a prior employer or other third party, whether or not created by me.

2. Company shall own all right, title and interest (including patent rights, copyrights, trade secret rights, mask work rights, *sui generis* database rights and all other intellectual and industrial property rights of any sort throughout the world) relating to any and all inventions (whether or not patentable), works of authorship, mask works, designs, know-how, ideas and information made or conceived or reduced to practice, in whole or in part, by me during the term of my contracting engagement with Company, to the fullest extent allowed by applicable law (collectively "Inventions"). I will promptly disclose all Inventions to Company and, to the extent allowed by applicable law, I will also disclose anything I believe is excluded so the Company can make an independent assessment. I hereby make all assignments necessary to accomplish the foregoing. I shall further assist Company, at Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce, and defend any rights specified to be so owned or assigned. I hereby irrevocably designate and appoint Company as my agent and attorney-in-fact, coupled with an interest and with full power of substitution, to act for and in my behalf to execute and file any document and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by me. If I wish to clarify that something created by me prior to my contracting engagement that relates to Company's actual or proposed business is not within the scope of the foregoing assignment, I have listed it on Appendix A in a manner that does not violate any third party rights. Without limiting Section 1 or Company's other rights and remedies, if, when acting within the scope of my contracting engagement or otherwise on behalf of Company, I use or (except pursuant to this Section 2) disclose my own or any third party's confidential information or intellectual property (or if any Invention cannot be fully made, used, reproduced, distributed and otherwise exploited without using or

violating the foregoing), Company will have and I hereby grant Company a perpetual, irrevocable, worldwide royalty-free, non-exclusive, sublicensable right and license to exploit and exercise all such confidential information and intellectual property rights.

3. To the extent allowed by law, paragraph 2 includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively "Moral Rights"). To the extent I retain any such Moral Rights under applicable law, I hereby ratify and consent to any action that may be taken with respect to such Moral Rights by or authorized by Company and agree not to assert any Moral Rights with respect thereto. I will confirm any such ratifications, consents and agreements from time to time as requested by Company.

4. I agree that all Inventions and all other business, technical and financial information (including, without limitation, the identity of and information relating to customers or employees) I develop, learn or obtain during the term of my contracting engagement that relate to Company or the business or demonstrably anticipated business of Company or that are received by or for Company in confidence, constitute "Proprietary Information." I will hold in confidence and not disclose or, except within the scope of my contracting engagement, use any Proprietary Information. However, I shall not be obligated under this paragraph with respect to information I can document is or becomes readily publicly available without restriction through no fault of mine. Upon termination of my contracting engagement, I will promptly return to Company all items containing or embodying Proprietary Information (including all copies), except that I may keep my personal copies of (i) my compensation records, (ii) materials received solely in my capacity as a shareholder or optionholder of the Company (if then applicable), and (iii) this Agreement. I also recognize and agree that I have no expectation of privacy with respect to Company's telecommunications, networking or information processing systems (including, without limitation, stored computer files, email messages and voice messages) and that my activity and any files or messages on or using any of those systems may be monitored at any time without notice.

5. I agree that during the course of my contracting engagement with Company (whether or not during business hours), I will not, in the same or materially similar capacity as I worked for the Company, without the prior written consent of the Company, whether paid or not: (i) serve as a partner, principal, licensor, licensee, employee, consultant, officer, director, manager, agent, affiliate, representative, advisor, promoter, associate, investor, or otherwise for, (ii) directly or indirectly, own, purchase, organize or take preparatory steps for the organization of, or (iii) build, design, finance, acquire, lease, operate, manage, control, invest in, work or consult for or otherwise join, participate in or affiliate myself with, any business whose business, products or operations are in any respect competitive with the Company's business. Should I obtain another contracting engagement or employment during my contracting engagement with the Company, I agree to

provide written notification to the Company as to the name and address of my new employer, the position that I expect to hold, and a general description of my duties and responsibilities, at least three (3) business days prior to starting such contracting engagement or employment.

6. To the extent allowed by applicable law, I agree that from the Effective Date until twelve (12) months immediately following the termination of my relationship with the Company, whether I resign voluntarily or am terminated by the Company involuntarily, I will not directly or indirectly solicit, or recruit, or attempt to solicit, or recruit, any employee of the Company to leave their employment with the Company, nor will I contact any employee of the Company, or cause an employee of the Company to be contacted, for the purpose of leaving employment with the Company. In the event of my breach or violation of this Section 6, or good faith allegation by the Company of my breach or violation of this Section 6, the restricted periods set forth in this Section 6 shall be tolled until such breach or violation, or dispute related to an allegation by the Company that I have breached or violated this Section 6, has been duly cured or resolved, as applicable.

7. I agree that this Agreement is not a contracting contract for any particular term and that I have the right to resign and Company has the right to terminate my contracting engagement at will, at any time, for any or no reason, with or without cause. In addition, this Agreement does not purport to set forth all of the terms and conditions of my contracting engagement, and, as a contractor of Company, I have obligations to Company which are not set forth in this Agreement. However, the terms of this Agreement govern over any inconsistent terms and can only be changed by a subsequent written agreement signed by the CEO of Company.

8. I agree that my obligations under paragraphs 2, 3, 4, 5 and 6 of this Agreement shall continue in effect after termination of my contracting engagement, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary on my part, and that Company is entitled to communicate my obligations under this Agreement to any future employer or potential employer of mine. My obligations under paragraphs 2, 3 and 4 also shall be binding upon my heirs, executors, assigns, and administrators and shall inure to the benefit of Company, its subsidiaries, successors and assigns.

9. Any dispute in the meaning, effect or validity of this Agreement shall be resolved in accordance with the laws of the State of Delaware of the United States of America without regard to the conflict of laws provisions thereof. I further agree that if one or more provisions of this Agreement are held to be illegal or unenforceable under applicable Delaware law, such illegal or unenforceable portion(s) shall be limited or excluded from this Agreement to the minimum extent required so that this Agreement shall otherwise remain in full force and effect and enforceable in accordance with its terms. This Agreement is fully assignable and transferable by Company, but any purported assignment or transfer by me is void. I

also understand that any breach of this Agreement will cause irreparable harm to Company for which damages would not be an adequate remedy, and, therefore, Company will be entitled to injunctive relief with respect thereto in addition to any other remedies and without any requirement to post bond. I acknowledge and agree that to the extent permitted under Delaware law, I shall indemnify the Company from any and all costs, fees, or expenses incurred by the Company (including, but not limited to, attorneys' fees) in successfully enforcing the terms of this Agreement against me (including, but not limited to, a court temporarily, partially, or fully granting any application, motion, or petition by the Company for injunctive relief) as a result of my breach or threatened breach of any provision contained herein.

10. ## Attendance Policy

The cost of absenteeism and lateness is difficult to estimate, no one can calculate the cost of the burden this puts on others who have to do the absent person's work. Most people will be late or sick at one time or another. But when short-term absences become more frequent, they might signal personal, medical, or job-related problems.

It is your responsibility to notify your supervisor at least 24 hours prior to your shift of any anticipated tardiness or absence. **All tardiness or absences should be reported to the Emergency Line at 800.236.2276 x2207.** You should provide the general reason for your absence, and understand that excessive absences and lateness will lead to disciplinary action.

Below is a breakdown of how infractions will be measured. Any employee who accumulates more than **three** points in a 90-day period can result in termination of employment.

**Tardy** – Anybody not signed/ clocked-in by their start time. 1 Point

**Call Off** – Needing to be taken off a shift after schedules are sent out. It is your responsibility to request any desired time off in advance. 1 Point

**LM Call-Out** – Failing to provide Acrobat with 24-hour notice before missing a shift. 1 Points

**No Call No Show** – Failing to provide Acrobat with any notice before missing a shift. 3 Points

## Harassment-Free Workplace Policy

### Unlawful Harassment

The Company strives to provide all employees with an environment free of sexual or other unlawful harassment. Harassment against individuals on the basis of pregnancy, childbirth or related medical conditions, race, religious creed, color, gender (including gender identity and gender expression), national origin or ancestry, physical or mental disability, medical condition, genetic information, marital status, registered domestic partner status, age, sexual orientation or any other classification protected by applicable local, state or federal employment discrimination laws is illegal and a violation of Company policy. Unlawful harassment of any type will not be tolerated at Machine Zone. The Company's anti-harassment policy applies to all persons involved in the operation of the Company and prohibits unlawful harassment by any employee of the Company, including Leaders and employees, as well as any clients, vendors, customers, independent contractors or any other person having contact with Company employees. It also prohibits unlawful harassment based on the perception that anyone has any of those characteristics, or is associated with a person who has or is perceived as having any of those characteristics.

---

**Definition of Harassment:** Prohibited unlawful harassment includes any conduct that has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment based on that individual's membership in a protected class. Prohibited unlawful harassment includes, but is not limited to, the following behavior:

- Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitation, or comments;
- Visual displays, which are not an art asset for Machine Zone's games and products, such as derogatory and/or sexually-oriented posters, photography, cartoons, drawings, or gestures;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with work because of sex, race, or any other protected basis;
- Threats and demands to submit to sexual requests as a condition of continued employment, or to avoid some other loss, and offers of employment benefits in return for sexual favors;
- Retaliation for reporting or threatening to report harassment;
- Rude or aggressive managerial conduct directed at one sex more frequently than the other; and,
- Extensive sexual favoritism or favoring employees who engage in sexual conduct with a Leader.
- Communication via electronic media of any type that includes any harassing conduct that is prohibited by state and/or federal law, or by company policy.

In particular, sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature which (1) has been made either explicitly or implicitly a term or condition of an individual's employment (or other contract relationship), (2) is used as a basis for employment (or other contract) decisions such as promotions and benefits affecting such individual, or (3) substantially interferes with an individual's work (or contract) performance or creates an intimidating, hostile, or offensive working environment.

In addition, conduct based on any of the categories listed above, or any other characteristic protected by law, is not appropriate for the workplace and is prohibited, regardless of whether an individual makes a claim of harassment.

Machine Zone will take disciplinary action up to and including the immediate termination of any employee who violates this policy. If you feel that you have been harassed, or that you have witnessed harassment, you should immediately report such conduct either verbally or in writing to your leader, Human Resources or any other management-level employee with whom you feel comfortable. It would be best to communicate your complaint in writing, but this is not mandatory. Your complaint should include details of the incident or incidents, names of individuals involved, and names of any witnesses. All complaints of harassment will be investigated by Human Resources. The Company will promptly undertake a thorough and objective investigation of the harassment allegations.

If the Company determines that unlawful harassment has occurred, effective remedial action will be taken in accordance with the circumstances involved. Any employee determined by the Company to be responsible for unlawful harassment will be subject to appropriate disciplinary action, up to, and including termination. The Company will not retaliate against you for filing a complaint or participating as a witness in an investigation and will not tolerate or permit retaliation by management, employees, or co-workers.

The Company encourages all employees to report any incidents of harassment immediately so that complaints can be quickly and fairly resolved. You should also be aware that the Federal Equal Employment Opportunity Commission and the California Department of Fair Employment and Housing investigate and process complaints of prohibited harassment in employment. If you think you have been harassed or you have been retaliated against for resisting or complaining, you may also file a complaint with the appropriate agency. Please check your telephone book for the nearest agency.

Please contact Human Resources if you have any questions about this policy or the subject of sexual or other harassment.

Machine Zone, Inc. ("Machine Zone" or the "Company") and                     , an individual ("Contractor") hereby make the following agreement regarding the treatment of confidential information and the resolution of disputes with Machine Zone. Machine Zone and Contractor recognize that differences may arise between Machine Zone and Contractor during or following Contractor's provision of services to the Company. In consideration of the mutual promises herein, and in consideration of Contractor's continued opportunity to provide services to Machine Zone, the parties agree to the following Confidentiality and Arbitration Agreement (the "Agreement"). Other than as expressly provided in the parties' agreement to arbitrate disputes as expressed below, the Agreement does not alter or amend any prior agreements between Machine Zone and Contractor. Contractor will not make any copies of the Confidential Information except as necessary for Contractor's personnel with a need to know as described in this Agreement. Any copies which are made will be identified as belonging to Machine Zone and marked "confidential" or with a similar legend.

(c) is hereafter rightfully furnished to Contractor by a third party, without restriction as to use or disclosure;

(d) is independently developed by Contractor without reference to Machine Zone's Confidential Information; or

(e) is generally made available to third parties by Machine Zone without restriction on disclosure.

A disclosure by Contractor in response to either a valid order by a court or other governmental body, or as otherwise required by law, will not be considered to be a breach of this Agreement; provided that Contractor provides Machine Zone with a prompt prior written notice of the intended disclosure sufficient to enable Machine Zone to seek a protective order or otherwise prevent such disclosure, and provided further that Contractor provides all cooperation to Machine Zone at Machine Zone's request and expense to prevent such disclosure. Contractor acknowledges receipt of the following notice required pursuant to 18 U.S.C § 1833(b)(1): "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that (A) is made (i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal."
