## EXPERIENCE

**1990 – 2008**

**DENNY'S RESTAURANT,**

At Denny's, I welcomed guests, took their orders, served food in a timely fashion, ensured the quality of food was to the customers liking, and maintained a clean working environment. Overall, the goal was that the customer had a pleasant dining experience.

**2008 – PRESENT**

**PRIVATE HOMECARE,**

During this time, I provided home care to elderly and disabled people. Personal care included assistance in bathing, feeding, dressing, shopping, preparing meals, doing laundry, scheduling doctor appointments, and administering medications. The objective always was to make sure the patient(s) were well taken care of and provided with companionship during their most difficult times.
