I've worked in the service industry Since I was 16 years old and have been working in Bars in some capacity or another since I was 21 (14 years). I am very comfortable with the lifestyle that comes along with this line of work. I have lived in North Park, San Diego for the last twelve years and have currently moved to Los Angeles. My hobbies mostly involve music on some level or another. I play guitar and sing in a band called BRUIN. I run a music collective named Khene-Zine. I also DJ at Bluefoot, Analog, West Coast Tavern, The Office, and Blonde Bar.

If this resume has reached your hands then my current goal is to bartend for you. Below is a list of my past and current credentials.
