## Work Experience

### **Food Delivery Driver**

Postmates - San Francisco, CA  
October 2017 to December 2018

Pick up hot and cold food from various restaurants along with items from various other places and delivering the food and items to customer's home or workplace. I would have a heat sealing bag to maintain the hotness and freshness of the hot food and freshness for the cold food. Sometimes I would be required to order the food from the restaurant, pay for the food with my Postmates issued card, and deliver it to the customer's home or workplace.

### **Food Delivery Driver**

Caviar - San Francisco, CA  
June 2017 to November 2017

Pick up hot and cold food from various restaurants, place hot food into a heat sealing bag to maintain hotness and freshness(I would place cold food in sealing bag for freshness as well), and deliver to customer's home or workplace.

### **Cashier/ Banquet Server & Set-Up/ Dishwasher**

Local 2/ Moscone Center - San Francisco, CA  
February 2008 to October 2011

Cashier: I was taking orders from customers for their food. I greeted customers with a smile upon arrival and their departure.

Banquet Server: Greeting customers with a smile, serving food to customers, serving beverages to customers, and checking on customers to see if they need anything.

Dishwasher: Sudding up and rinsing dishes. Drying and putting up dishes.

## Education

### **High school or equivalent in G.E.D.**

City College of San Francisco (John Adams Campus) - San Francisco, CA  
August 2011 to June 2012

### **Commercial Driver's License (CDL)**
