OBJECTIVE

To find employment in the community while I transition from 16 years in the military and find new passions.

SKILLS

I excel under pressure and in situations that required adapting on the fly. I also pride myself on being an optimistic presence that can fill either subordinate or leadership roles.

EXPERIENCE

SECURITY & BARTENDER • THE HARP IRISH PUB • 2018 – 2019

Initially I provided security on busy nights and for events. Then I moved behind the bar as a part-time bartender.

RESCUE SPECIALIST • UNITED STATES AIR FORCE • 2002 – 2018

I served in the Air Force under a few different skill sets that changed over time with extensive training for each. Primarily I was an aircraft mechanic and then a medic, hoist operator, and rescue specialist on search and rescue helicopters.

BARTENDER • SAGE GOURMET CAFE • 2009-2010

I worked part-time behind the bar at a café near downtown Oklahoma City while I was stationed nearby with the Air Force.

LINE COOK • HUTSLAR FOODS • 2012-2013

I was seasonally employed as a line cook at street fairs.

BAR BACK • ROSIE MCCANN'S IRISH PUB • 2014-2015

During the busy shifts at Rosie's I assisted the bartenders as a Bar Back.

EDUCATION

EMT CERTIFICATION • DECEMBER 2012 • LOS MEDANOS COLLEGE

I earned my Emergency Medical Technician certification through a one semester program at Los Medanos College in California.

FIREFIGHTER 1 ACADEMY • MAY 2015 • CCSF

CA Firefighter 1 Certification through City College of San Francisco.
