OBJECTIVE

Seek long-term employment with an established company in which I can become a key contributor to the overall success of the organization. Interested in full-time, part-time, or any available position.

SUMMARY

I am a hard working individual who strives to succeed by working hard, concentrating on the quality and perfection of my work for the customers/guests and employers needs first and foremost. I am a dedicated team player driven by the desire to accomplish company goals, with a teachable disposition, and desire to give superior customer service and high standards for employer satisfaction.
