## Work Experience

---

### **ASSEMBLY LINE WORKER/MACHINE OPERATOR**

SANDERSON FARMS  
April 2017 to October 2019

I inspected the quality of the chicken as it passed on the line. As well as, I cut and sort pieces by parts and according to quantity needed. Additionally, I oversaw the line, ensuring that there were no hindrances to the work flow by preventing jams and build ups. Should there be any, I had to shut down, reset and/or re-calibrate the conveyor system.

### **Line Cook/Prep Cook/Dishwasher**

Texas Roadhouse - Dallas, TX  
November 2015 to April 2017

In observance of sanitary standards, I maintained a cleanly and aptly stocked work station while I prepared, cleaned and chopped food for cooking according to menu and/or order.

### **Warehouse Associate**

Elite Staffing Inc. - Dallas, TX  
December 2013 to April 2017

I received and processed incoming stock and materials, picked and filled orders from stock, packed, shipping and tracked orders. As well as managed, organized and retrieved stock in the warehouse.

### **ASSEMBLY LINE WORKER/MACHINE OPERATOR**

WEATHERMATIC  
August 2011 to October 2013

I assembled sprinkler heads and sensors and ensured proper assembly by measuring the PSI at the water pressure station. Testing the PSI varies depending on sprinkler head type and sensor setup which sometimes required my having to manually manipulate and run the pressure station machine.
