SKILL

Im a quick learner, i have a vast knowledge of food I have also worked as a server for over 6 years. And worked in all spots FOH & BOH since i was 15. Also exp/w/ general labor over the years. I'm a jack-of-all-trades and I can back that up.

EDUCATION

Dec. 2016- June 2017

Black Bear diner, Oakley Ca/ Line Cook

- Worked line for dinner shift, stalked line before and after.
- Learned sauce recipes and ways to make homemade barbecue sauce that they would make.
- Teamwork was a much needed necessity as we could even when in the weeds on a daily base.
- Learned black bear ways of plating food and getting it in the window.
- Closing duties, restock, break down line, day dot, wipe down and sanitize counters, sweep and take trash out.

Nov 2014- jan 2015

Olive garden , Lake Oswego Or/ Line/ Baker/ Dish

- Worked line for dinner shift and during day shifts i did dish pit or was the baker for the bread
- Teamwork we did alot because of one fell behind and everybody would fall behind on the line in the weeds.
- Learned The new Olive Garden ways of plating food and getting it in the window.
- Closing duties, restock, break down line, day dot, wipe down and sanitize counters, sweep and take trash out. As far as if I was doing this pit then I would break down the dish pit clean sanitize it refill soap whatever need to be

2012-Nov 2014

Red lobster Rocky Mt. Nc/ Expo/Line & Fry cook

- I learned before I was a line cook to be a Expo for the company or that restaurant in particular
- Worked line for dinner & lunch shift once switched to line cook
- Teamwork I cannot stress enough had to happen at that restaurant especially when all you can eat shrimp
- Learned The Red Lobster ways of plating food and getting it in the window.

- Other duties were prepping a line or stalking line in a timely manner cutting and splitting open live lobsters
- Closing duties, restock, break down line, day dot, wipe down and sanitize counters, sweep and take trash out.

Sept.2009-March 2011

Bases loaded Antioch Ca. / Line/Fry

- Worked line for dinner shift-to closing just about every night except Sundays I would open the kitchen for breakfast lunch and work to dinner and then have the night off ,stalked line before and after shift
- Teamwork was definitely needed at that place would you just learning the menu when in the weeds on a nightly base.
- Learned ways of plating food and getting it in the window.
- I learned how to deep fry desserts and to make quick bar food because the kitchen would shut down at a certain time and we only serve bar food
- Closing duties, restock, break down line, day dot, wipe down and sanitize counters, sweep and take trash out.

EDUCATION

september 2002- august 2003

Masada high school, Gardena Ca - ged
