***Private Housekeeper:** I've been doing private housekeeping since I was 16 years old. A couple of colleagues and I started an ad on craigslist shortly before graduation and it's been an ongoing aspiration of mine that got me into housekeeping. For 4–5 years, we cleaned about 15–18 houses per week and 8–12 whenever we weren't working our 9–5. We focused on deep cleaning rooms, bathrooms, dishes, dusting, vacuuming, and occasionally yard work if requested.
