RBS Training Completed: Jul 9th, 2022

Dear **Kerry Schultz**

Congratulations on completing your Responsible Beverage Service (RBS) training. We **do not** have the ability to issue a physical or downloadable certificate.

You must **complete the RBS Exam** to comply with California Law. California requires on-premises alcoholic beverage servers and their managers to successfully complete the RBS training program and the RBS exam no later than August 31, 2022.

We have sent your training completion over to the RBS Portal electronically. It might take up to 24 hours for your training completion to show up in the RBS Portal. An email will be sent from the RBS Portal when you have access to the exam. Once access has been granted, please follow these steps:

- Login to the RBS Portal here: <https://abcbiz.abc.ca.gov/>
- From the Server Dashboard, select Take Exam.

You must complete the RBS exam *within 30 days or three attempts*. This exam is open-book and open-note. The exam costs \$3 and we have no control or ability to change the price. You must pass with a score of at least 70%.

The RBS Portal **does not** issue physical or downloadable certificates. Your Dashboard in the RBS Portal will show your certification number and acts as proof that you completed the necessary RBS Training.
